

# Groundhog Day Matching Memory Game

Instructions for printing and assembly:

Print pages 2-3 for color or 4-5 for B&W. They will work best on card stock, and last longer laminated. Cut out each individual card.

To play: Turn cards face down and take turns matching the groundhog day symbols. When you make a match, keep the cards. When you don't match turn the cards back over in the same spots. The player with the most matches at the end of the game wins.
